Jessper Maquindang is a Certified Executive Coach & Mentor (CECM) and Senior Professional in Human Resources (SPHR) who helps business leaders build high-performing, purpose-driven teams. With an Executive Master's Degree in Leadership from the University of Southern California, Jessper blends academic expertise with practical strategies to transform overworked executives and entrepreneurs into resilient leaders.

As a culture-driven leadership and HR strategist, he partners with mission-driven businesses and organizations to eliminate costly hiring mistakes, empower teams, and scale operations with confidence. A marathon runner and sought-after speaker, Jessper brings energy, humor, and actionable insights to the stage, empowering leaders to delegate smarter, boost productivity, and build teams that drive lasting success.

What my clients say about me

"Jessper is an expert at building positive culture and, with it, a strong and cohesive team." - **Shelby Rinehart**

"Jessper has a proven ability to build leaders out of those with whom he is entrusted." - **Anthony Banks**
