

Harrison Stevens

[linkedin.com/in/harrisonstevens/](https://www.linkedin.com/in/harrisonstevens/) - press@turbotenant.com - Denver, CO

Harrison Stevens is the **VP of Marketing** at **TurboTenant** and an active real estate investor. With a professional background in Marketing and Product, he has been successful in growing multiple companies across various industries.

Harrison's passion for data, design, and automation fostered his cross-functional leadership style, resulting in improved margins and top-line revenue growth. With a family that has worked in the real estate industry for over 20 years and his own personal experience as a landlord, Harrison is able to speak directly to the TurboTenant audience. He uses this knowledge to effectively communicate how TurboTenant makes owning and managing properties more profitable and stress free.
